Administration

Rolling Hills High School administrators worked daily to solve problems and create an effective educational environment. Principal Howard Lawrence, along with his co-workers, continually devoted time and energy to creating a positive atmosphere of learning. They worked hard to improve the curriculum, spirit, and programs offered on the campus. They also strived to lessen disciplinary problems in the school. These dedicated people worked to help the students and the institution.

Administration

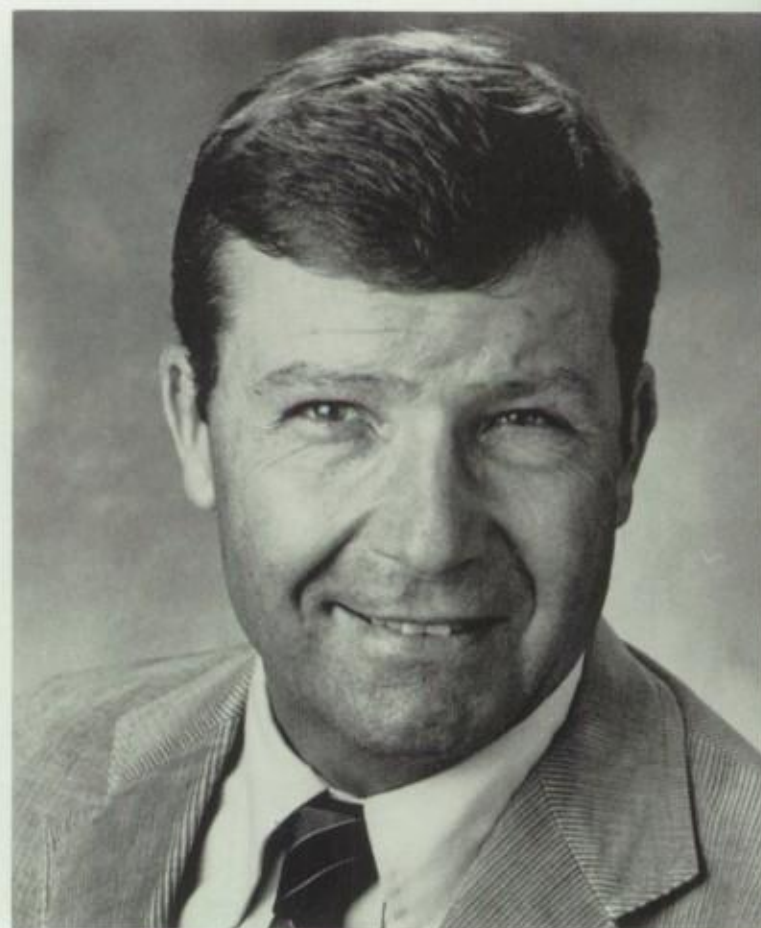

This year, the administration and board of the Palos Verdes Peninsula Unified School District worked anxiously and long to ensure that the students of Rolling Hills, Palos Verdes and Miraleste High Schools would continue to have a quality education. As in previous years, a student representative was chosen to attend as a non-voting board member. Vinit Mahajan, a senior at RH, served on the board. A big question arose as the school district's budget reached an all-time low. The board debated over a course of action in the best interests of the students. These community representatives worked hard to preserve the quality of education and campus life that has prevailed in this district for so many years.

Counselors

The Titans were fortunate to have an able and caring counseling staff which met and overcame a number of challenges in order to help students in all facets of campus life. The counselors were always there as friends and advisers helping students with personal or academic problems. The staff gave suggestions and offered advice on how to make the most out of the high school years. Constant interaction between students and counselors created a bond of friendship, confidence, and trust.

English

Continuing emphasis on writing improvement was again at the core of all English courses. Of special note was the addition of a college level vocabulary program instituted in all junior composition classes. Elective courses included reading improvement, journalism, creative writing, mythology, and Shakespeare. The entire department lauded the journalists as the school newspaper and yearbook won world-wide acclaim. Both publications were awarded the coveted Quill and Scroll International First Place Award. Increased interaction between staff and students prompted constant improvement in reading and writing skills. Students and teachers worked together in a comfortable atmosphere of knowledge.

Mathematics

In today's highly technological and computerized world, a strong foundation in mathematics is essential to the realization of career or college opportunities. As its goal, the department prepared the student to meet the expectations and challenges of the future. RH students had the opportunity to study algebra, geometry, trigonometry, pre-calculus and calculus. Also, instruction on BASIC and Pascal was provided in the computer labs. RH's Math Club continued to bring distinction to the department by placing well in the South Bay Math League, Occidental Math Field Day, and San Luis Obispo Math Contest. RHHS continued to have a winning combination of hard-working and dedication students and faculty.

Science

During this past year, students enrolled in scientific courses had the opportunity to take biology, chemistry, or physics on all academic levels. The advance placement physics classes, taught by mentor John McGehee received new college level texts. The fine background that students acquired provided a firm foundation for further studies in various technological fields.

Science

Offered in the social science department were traditional courses of western civilization, economics, government and American history. Also available were a group of classes extending across the gamut of humanities including psychology, students and the law, international relations, and recent European history. Special advanced placement and honor courses were also offered. The department was especially proud of its Model United Nations organization which sponsored the Shooting Stars basketball game, and traveled to the United Nations in New York to participate in a national conference.

Foreign Language

During this past year, four separate languages were offered in the foreign language department: German, French, Latin, and Spanish. During the summer months, many of the staff traveled around the world to acquire additional first-hand experiences to take back to the classroom. The extra knowledge allowed teachers to augment the students' instruction with tradition, culture, and general knowledge.

Business/Arts

The business department continued to improve instructional programs through revisions of course content and the purchase of new equipment. Both the accounting and word processing programs can eventually lead to well paid positions in the business world. New electronic typewriters were introduced to students at the same time that new software was added to computer classes. Vocational skills were taught through advanced courses. The department provided the opportunity for students to learn important skills for today's technologically advanced world.

RH's art department provided Titans with creative courses in photography, ceramics, drawing and painting, culinary arts, practical living skills, woodworking, drafting, and metalworking. A diversified and interesting curriculum offered to students provided popular choices.

P.E./Arts

Performing arts instructors taught a variety of courses for creative students. Music, drama, theatre and dance enabled students to express themselves as they showed off their talents. Music courses ranged from vocal ensembles to instrumental music. Several varieties of classes were offered including marching band, orchestra, concert band, and wind ensemble. A fall play and spring musical enabled students to get on stage and entertain school and community audiences. Physical education was again offered to meet state requirements for graduation. Students must fulfill the basic requirement of four semester units of physical activity. Instruction was provided in basketball, swimming, volleyball, soccer, tennis, and track.

Dwaine Lyons, veteran physical education instructor, times his runners as they race around the track. Freshmen and sophomores must complete 2 years of P.E. requirements.

Senior Class

Growing in mind and spirit, the Class of 1987 made this last year to be the most memorable. The seniors joined together to make the year's traditional activities like Senior Assembly, Baccalaureate, Grad Night, Senior Excursion and Breakfast exciting and unforgettable for everyone. A united class brought about an extraordinary year for the entire school. Irreplaceable memories remain — ... the friendships, homecomings, formals, proms, dances, elections, parties, lunchtimes, and even the everyday routines. We're grateful for the support we have received from the outstanding faculty and wish everybody all the best in the future. The spirit of this year's Senior Class was by far the best in Rolling Hills High's 23 year history, and our memory will never be forgotten.

Finally, all the planning and hard work by the dedicated officers ended with the culminating highlight of the year, graduation ceremonies. Now as we look to the future, we jump ... carrying the Rolling Hills High School tradition of excellence, ready to fly.

Junior Class

This year's spirited junior class participated in many memorable activities. Now flanked by the title of "upperclassmen", the juniors embarked on a year which proved to be an enjoyable one. Beginning with Leadership Camp during the summer, the junior class officers, as well as many other dedicated leaders, planned for the year's upcoming events. Starting off the school year with enthusiasm, we eagerly participated in many pep rallies, where we helped to create a spirited mood prevalent on campus throughout the entire year. Homecoming was a success for our class because of three booths and various activities which the juniors sponsored. This first fundraising activity generated much needed revenue and led to other fundraisers during the year. These included candy sales, a car wash, and many other activities which produced sufficient funds for the junior class' largest event of the year — the Junior-Senior Prom. The Prom, held at the Los Angeles Biltmore, created many memories for both parting seniors and the soon-to-be senior class. The Class of 1988 now has the right and responsibility to show why the Titans are the proud and mighty "King of the Hill." They will undoubtedly do this with all the spirit and enthusiasm they have shown throughout this year.

Sophomore Class

Co-operation made our sophomore year exceptional. With the effort of Vice-President Amber Hendrix, Secretary/Treasurer James Faulkner, Representatives Karen Ho and Sherri Sanjabi and former President Jackie Ballantyne, the sophomores created original thoughts and ideas. The victorious sophomore athletic teams represented the great talent of our class. The Homecoming Fair in October enabled the class to add revenue to their budget as sophomores sponsored the popular and successful basketball booth. The collective talents of everyone unified this spirited 10th grade class and made all of the activities memorable, especially Soph Doll week. Thank you for your support and enthusiasm, which I am looking forward to again next year.

Freshman Class

The class of 1990 started out as just another school year as some new Frosh students tried to adapt to the bigger campus and bigger students. But beginning with the election of class officers, this year has proved to be a successful one to prepare students for their next three years as Titans. During homecoming week the Freshmen class sponsored a football toss at the Fair and the concessions for the game. Both were a roaring success. Everyone demonstrated their loyalty as Titans by participating in the costume contest, the lunchtime activities, and by bringing their voices and spirit to the football game. Next came Frosh Fox week everyone cheered for their favorite nominee. Although the students cast their votes by pledging money, more than were expected participated. Freshmen waited for Friday to find out who would be crowned "Frosh Fox." At our dance for Frosh Fox the winner was announced and crowned. All in all, we are grateful for the opportunities we have for learning and for growth. In order for us to make the most of our years at Rolling Hills, we must each take advantage of the good beginning we have had. Many thanks to the Freshman class officers, John Olinger and Dan Beck, and the class representatives, Ross Pier and Jason Dullack, for the long hours they put into these activities and to the whole class for making this school year memorable and meaningful. Remember, the best thing about being freshmen is that we will be sophomores next year!

“Leadership ... the greater the privileges, the greater the sacrifices and responsibilities.”
... A quotation that formed and maintained the high quality of excellence the R.H. campus leaders insisted upon throughout the entire year.

year.

The Student Relations program was revitalized with the experience of A.S.B. Vice President Scott Shean. Shawn Talbott planned a year of activities that were not only extremely well attended but also enjoyed by all who participated. Speaker of the House Kevin Guthrie brought the House of Representatives to a productive level such that R.H. had never seen before. With excessive hours of dedication, A.S.B. Treasurer R. Hendrix kept the school finances organized.

Under the leadership of the A.S.B. Cabinet members, the entire Student Council worked diligently as a unified group. With this organization, the devotion, and positive energy of Ms. Becky Fields, the Activities Director, the Student Body carried through with unity and school spirit to make the 1986-87 school year the greatest in the history of R.H. Also with the outstanding support of the faculty and the P.T.S.A., activities set new standards for the level of participation. The energy could be felt. Love and Laughter filled the air. Not only did the student body discover a “formula” for school spirit, but we upgraded, bottled, sold, and made a profit from our school spirit. We were said to be the most active Student Body at R.H. since its opening.

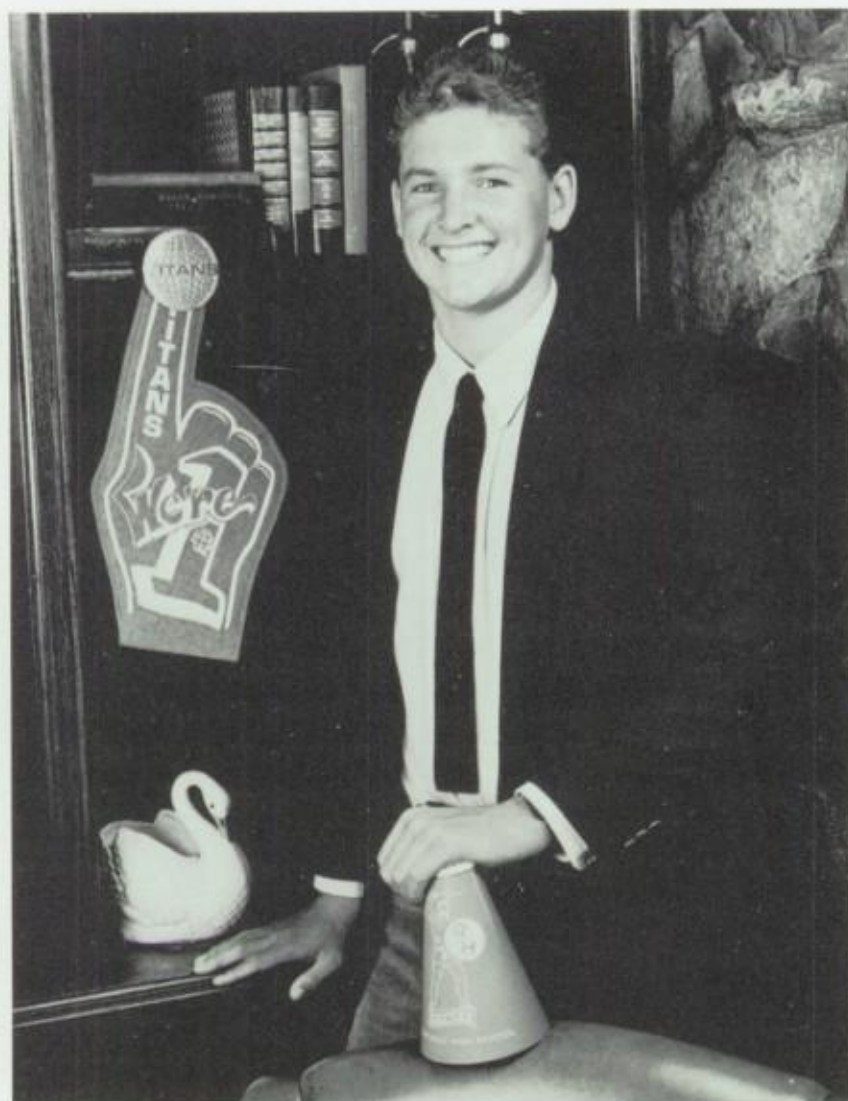

Thank you R.H.H.S. for making my senior year the absolute BEST it could be! I wish you ALL lots of luck & love in your future endeavors. Take care and most of all ... enjoy! Love,

P.S., Please turn to page 276.

House of Reps.

Extensive revitalization of the policies and procedures of R.H.'s House of Representatives took place throughout 1986-87. Speaker of the House Kevin Guthrie was responsible for the changes; he added guest speakers at each meeting and stuck to a strict agenda that allowed a report from each class and ASB office. The class representatives were expected to report back to their peers, and gather suggestions for following meetings. Through the course of the year, the House of Reps served as a forum for student ideas and concerns as well as an outlet for ASB information.

Foxes and Dolls

Blindfolded Roger Yang attempts to feed Soph Doll nominee Sheri Murch. Noontime activities filled the exciting week.

Both the Frosh Fox and Soph Doll competitions were highly successful fundraisers for their respective classes. J.J. Brinkerhoff captured the Frosh Fox title and Kelly Wheeler the Soph Doll crown by earning the most funds during the week long activities. Although much of Frosh Fox Week was rained out, the freshmen managed to raise money through balloon popping contests and obstacle course racing. The Sophomores held activities that ranged from lunch box auctions to water bucket tosses.

A Haunted Homecoming

All of RHHS was highly spirited during homecoming in 1986. Participation among the students was high during the week's activities. Class competitions such as pie eating and chug-a-lugging contests as well as marshmallow stuffing met with great enthusiasm. The high point in the week long lunchtime activities came when several of the faculty members joined the students for a costume contest. The Titans celebrated homecoming on Friday the 31st. A fair consisting of over fifty booths began the day's festivities. The celebration continued during the football game against Torrance where the Titan fans, led by the newly revitalized "Bleacher Bums," showed their school spirit. The week of activities and celebration culminated with a costume dance and the crowning of the homecoming royalty, King Greg Thomas and Queen Christy Lee.

Fall Play

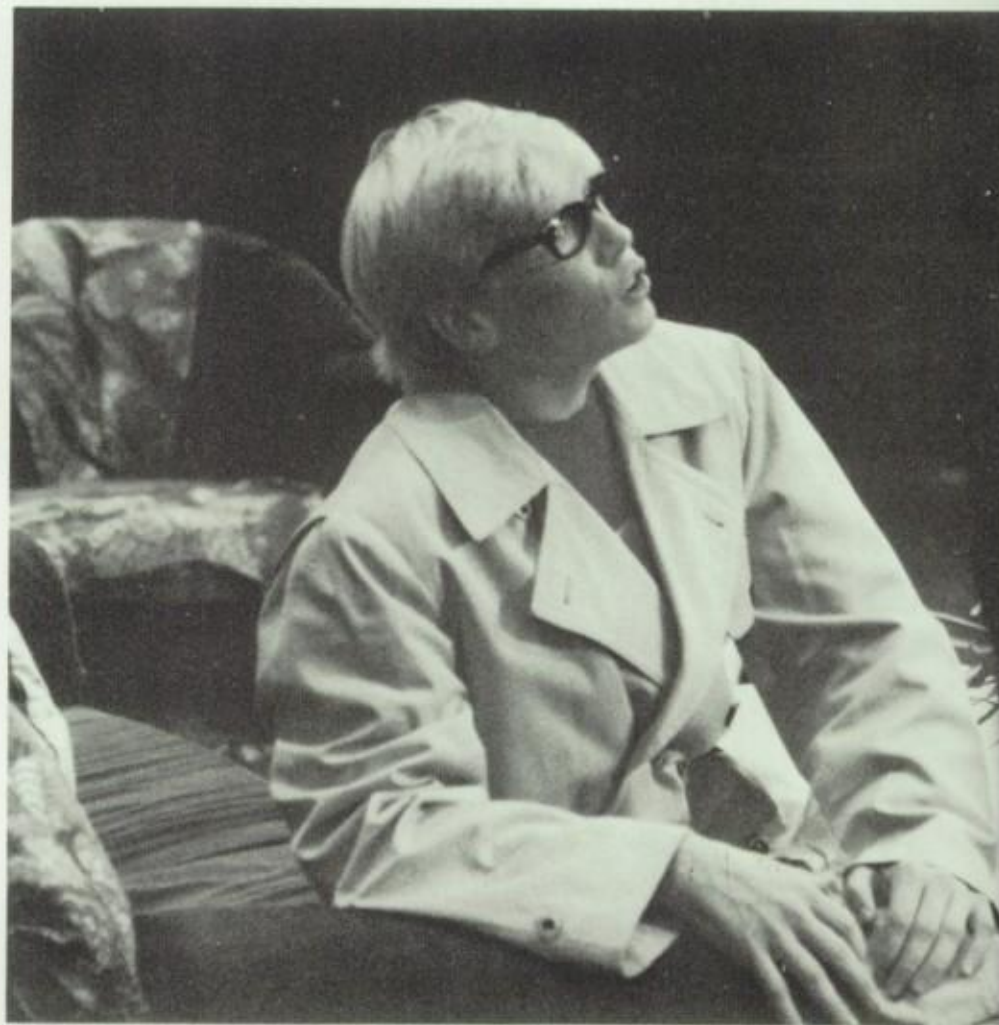

“**G**od’s Favorite”, a play in two acts by Neil Simon was performed by the R.H.H.S. drama department in November. The show ran for four nights to near sell-out audiences. Because of the play’s limited number of characters, the cast was divided into two groups, each cast performing on alternate evenings.

The play is the story of Joe Benjamin (Kevin Carter/John Donoghue) and the trials and hardships he endures as a test of his faith in God. Joe’s character is supported by his wife Rose (Tina Hayward/Shana Abramowitz), son David (Dan Ghozeil/Erik Bell), son Ben (Chris Demcak/Jason Brandt), and daughter Sarah (Kristen Mainero/Sheri Ames). Loyal servants Morris (Danny Landau/Andreas Egerup) and Mady (Jennifer Brandt/Kim Ladd) complete the Benjamin household.

AS the story begins, Sidney Lipton (Matt Gilbert/Any a A’Hearn) breaks into the Benjamin’s posh Long Island Mansion. Claiming to be a messenger from God, Sidney tells Joe that God has made a bet with the devil that no matter what happens to Joe, he will never renounce his faith in God. Throughout the test, Joe endures such hardships as the loss of his business, lack of heat in his home during a severe winter, isolation from his friends and community, and his son David taking to drink and becoming mentally and physically unwell. Even when Joe’s tests become unbearable when the mansion burns down and Joe develops an uncontrollable rash, he refuses to renounce his faith in God.

At last, God is satisfied with the strength of Joe’s faith and the rash disappears, David returns to good health, and the family’s luck takes a turn for the better.

“God’s Favorite” was performed under the direction of Connie McIntyre.

Sidney Lipton (Matt Gilbert) babbles endlessly about the meaning of life. He never succeeds in making Joe Benjamin (Kevin Carter) give up his faith in God.

As he sits in pain in the rubble of his burnt out house, Joe Benjamin (John Donoghue) reiterates his refusal to renounce his faith in God.

By displaying her “G as in God” sweater, Sidney (Any a A’Hearn) attempts to convince Joe (John Donoghue) that she really is God’s messenger.

Rose Benjamin (Tina Hayward) readies her gun to protect her valuables and her children Sarah (Kristen Mainero) and Ben (Chris Demcak) from a burgler who broke into the family's home.

David Benjamin (Dan Ghozeil) pours himself another drink after returning home drunk from a late night party.

Sidney (Matt Gilbert) tries to explain to Joe (Kevin Carter) that all he must do to end his anguish is to renounce his God.

Junior cheerleaders celebrate after the Juniors score. Perhaps lacking grace, the squad was not short on enthusiasm!!

"BREAK!!!" . . . and the Junior team readies for another tough play. The game involved many complex plays which the coaches set in from the sidelines and the girls discussed in the huddle.

Powder Puff

WHAT A CONTEST!!! The '87 Powder Puff game was a true test of skill, endurance, and blood and guts will power. The girls did not live up to the game's name; they were anything but powder puffs as they brought the game closer to full tackle than the flag football it was intended to be. Both teams sported athletes who had proven their skills in other RH sports: for the Juniors Crystal Johnson, Amy Grekowitz, Wendy Leopold and Sue Johnson, and for the Seniors Nu-Gina Rogers, Keri Pier, Michelle Wackeen, Lynn Shapiro, Karen Camarata, and Jody Keller. The game ended in a tie, but both teams pushed for a rematch.

Number 33, Nu-Gina "No Mercy" Rogers cuts back to avoid a Junior opponent. Nu-Gina's superior running ability was an invaluable asset to the Senior team; they gave the ball to the lightning fast tailback as often possible.

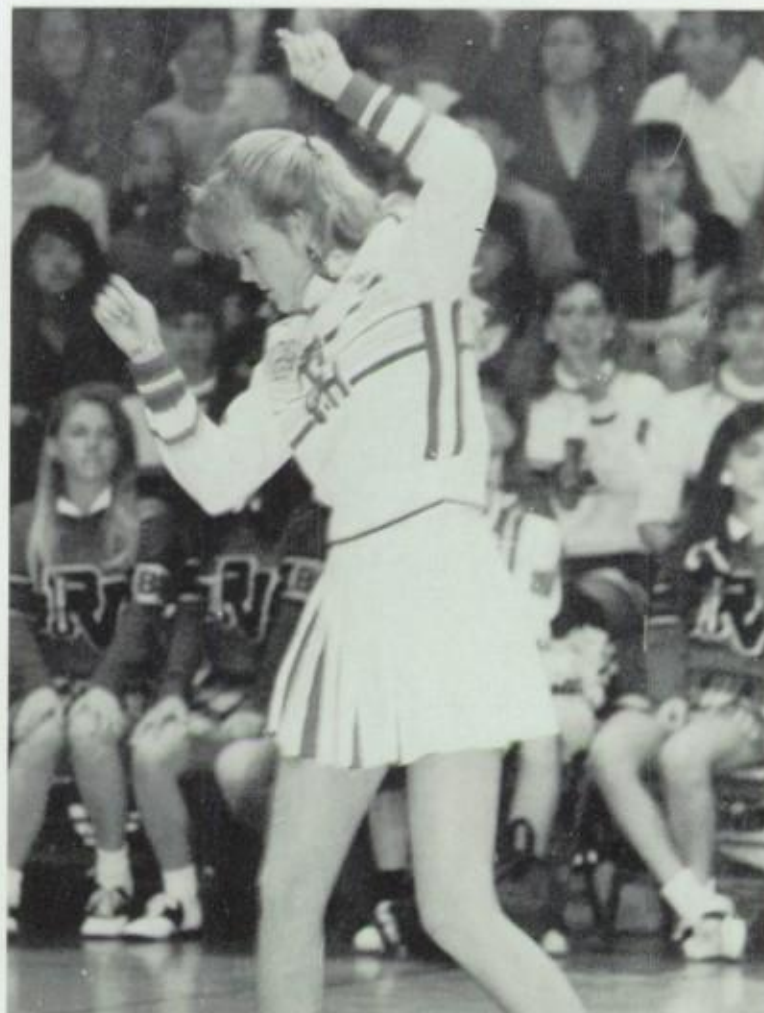

Best of Times

The amphitheater is jam packed during Soph Doll Week. Scenes such as this were a common sight throughout the year . . . Titans knew how to have fun!

During the Homecoming Dance, Titans, weary from dancing, take time out to pose for a snapshot.

Varsity Songleader Debra Shier performs during the halftime of R.H.'s basketball game against Palos Verdes.

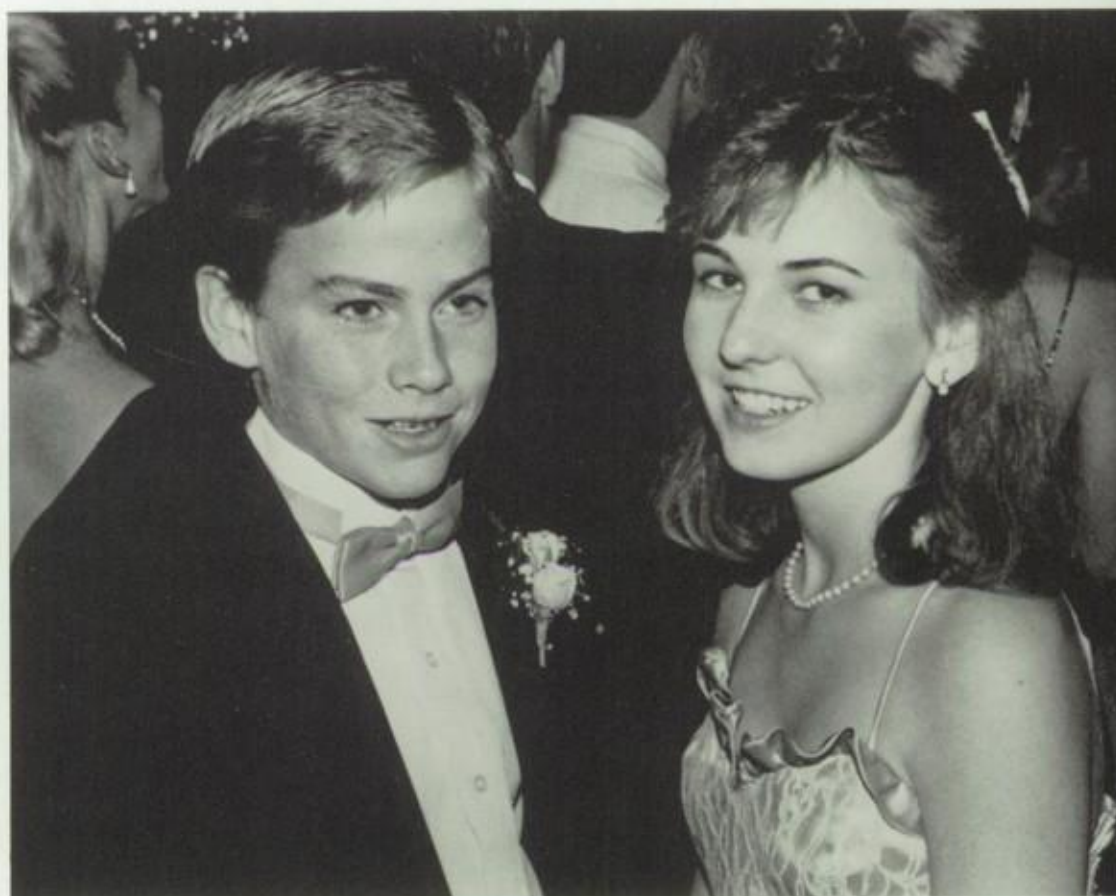

Wearing his date's shoes, Judd Dague does his impression of "Teen Wolf", but comes off more like "Teen Kitten".

Like many Titan couples, Elise Carson and Craig Plumley steal a few minutes alone, as apparent by Craig's unbuttoned shirt and Elise's look of surprise.

Winter Formal

The 1986 Winter Formal, "Come Sail Away," was another memorable event of the school year. The formal was organized and executed by the RHHS Girls' League. Musical entertainment was provided by The Green Stick, a band containing several RH alumni. The Titan Ballroom (the gym) was decorated with elegance that matched the mood of the many Titans who attended. Crowning of the Winter Royalty, King Jim Wynn and Queen Tammy Senn, capped off the magical evening.

David Atkins and his date Jenny Cretcher smile while they rest from dancing, proving that freshmen can have fun too. All four grade levels are invited to attend the formal.

ee Tidwell's scheme to take three girls (Suzanne Bolton, Shawn Codrea, and Tricia Fuller) to the Winter Formal backfires and he faints
to Laurie Nissen's arms when he realizes that the three have found out about each other.

The choreo dancers energetically perform their version of the number, "One" from the Broadway musical, "A Chorus Line". All of the numbers in the show were executed with skill and energy.

The RHHS orchestra stands awaiting the arrival of their conductor, Mr. McKray. The orchestra enjoyed a tremendously successful year.

Leaping high across the stage, choreo dancers display the epitome of grace, beauty, strength, and skillfully executed dance.

During the opening number of their December performance, the choreo dancers demonstrate their grace and flexibility. The RHHS choreo dancers spent countless hours working diligently in order to create a new and exciting program.

Of Art and Motion and Music

Senior, first chair flutist Stephanie Schwartz, concentrates on her music. Stephanie's performances have supported the orchestra throughout her four years at RHHS.

Of Art and Motion was the title of this year's choreo performance. Led by Michelle Gibson, Vicki Mann, Jody Winjie, Carol Berg, and Kelly Wheeler, the choreo group put together one of the most exciting choreo shows ever. The program included such numbers as "In Your Eyes", "High Fidelity", and "Lost Horizons." The show's choreography was original and graceful, and the perfection with which the dancers performed the numbers reflected the hours of work they put into the show.

The RHHS orchestra had another successful year in 1986-87. The group won several local competitions and was the recipient of many local and statewide honors.

Whallon received two consecutive 1st place awards as best drum major. The drill team also received many high awards. At the Rancho Cucamonga Parade, the squad took the Sweepstakes Trophy, a first for R.H.H.S. The team also took 1st place at the Artesia and Ocean-side Parades, and 2nd at the Norwalk Parade. Miss Adelaide (Sheri Ames) laments about her man, Nathan Detroit. Sheri's portrayal of the dippy character was outstanding.

Nathan Detroit (Erik Bell) and Nicely-Nicely Johnson (Tim Schilling) discuss the problem of finding a location which they can play craps safe from Lieutenant Brannigan.

"Guys and Dolls"

This Rogers and Hammerstien classic was staged by an outstanding Rolling Hills Drama Department cast. The story is about two couples, one a missionary and a gambler, the other a gambler and a naive dancer. Although both couples go through rough times, like all good musicals, this one ends with both getting married and living happily ever after. The proper missionary doll was portrayed by Tina Hayward who graced the show with her fantastic voice. Also giving a superior performance was Chris Gilbert, who played the slick, gambling Sky Masterson. The highlight of the show was Sheri Ames' wonderful Miss Adelaide, who's naive nature and classic New York accent made the show sensational. "Guys and Dolls" was produced and directed by Connie MacIntyre.

Wendy Wyte prepares to lead a "Rolling Hills" spell out and like a typical cheerleader, holds her "H" sideways.

During a pre-game rally, cheerleader Monique Labrador struggles with the microphone so she can lead the cheers. The crowd usually "fired up" themselves, cheering on their teams in spite of the cheerleaders.

Pep Rallies

INCREDIBLE pep rallies became the norm during 1986-87. Trent Warren, ASB Athletic Commissioner, did an outstanding job revitalizing the programs. Many rallies included class competitions, ranging from shoot outs to "izzy dizzy races". The various athletic teams were also introduced during the rallies by their respective captains. Indoor competition squads entertained the crowds and the cheer and song leaders hyped the students up for the upcoming games. But far and away the best part of the rallies were the crowd response cheer contests. Each class competed as a unit against the other three for candy. Many times the classes would begin to cheer by themselves; the gym would sometimes rock for ten minutes straight.

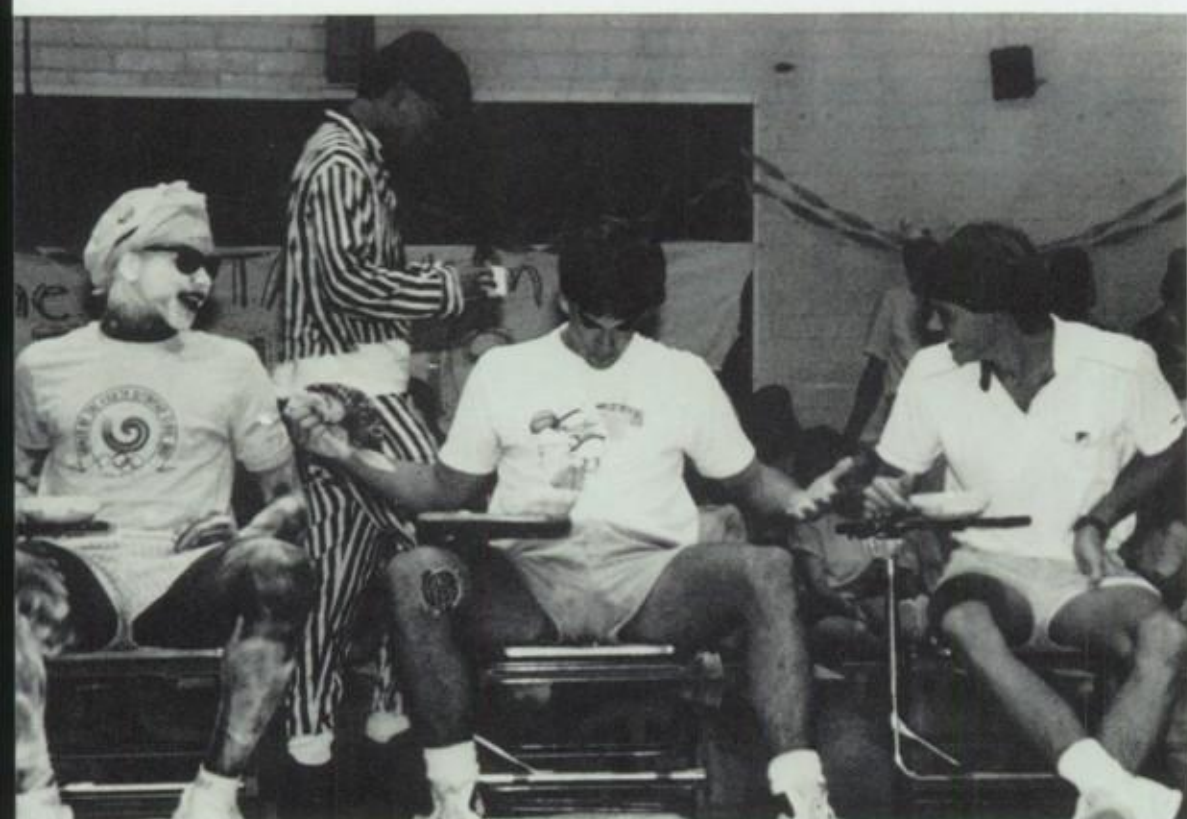

The short flags indoor competition squad perform to an energetic Titan crowd. Indoor squads from Drill Team, Tall Flags, and Songleaders performed at rallies throughout the year.

CIF Fever

1987 was filled with the kinds of events that high school memories are made of. The Titan Basketball team went all the way to the CIF finals in the L.A. Sports Arena, taking the Titan fans with them. Their path wasn't as smoothly paved as the 110 Harbor Freeway, however; the team faced many tough opponents. Throughout the struggle to make the finals, the Titan fans supported their team. Rarely was there a seat to be had at any game, home or away. Regardless of the score, Titan fans were no match for any school; they would not be out yelled. Even at the Sports Arena, the Titans outnumbered Saugus almost two to one. The final score of the final game is of little importance because thanks to the 1987 Running Titans, the whole school was a winner. Memories are made of ...

Football

The Rolling Hills Varsity football team played an enthusiastic and spirited season. The Titan gridiron exemplified what high school sports are supposed to be, good clean, competitive fun. Aided by the devoted backing of their fans, the Bleacher Bums, the Titans never gave up. The team, comprised of mostly seniors, was led by several talented athletes. Greg Thomas was the heart of the Titan offense as he continued to give 100% of his talent and energy. Wide receiver Scott Shean was the favorite receiving end of quarterback Dan Bellow. The line was anchored by Glenn Capps and Walter Cathey. Defensive back Herman Brown defended against the long bomb and frequently stopped the opposing team from making the big play. Seniors Brian Carter, Craig Latham, and Dan Tidwell also helped to build a strong defensive line. This year's frosh and sophomore squads both had exceptionally good seasons as they both clinched their respective Bay League titles after weeks of impressive play.

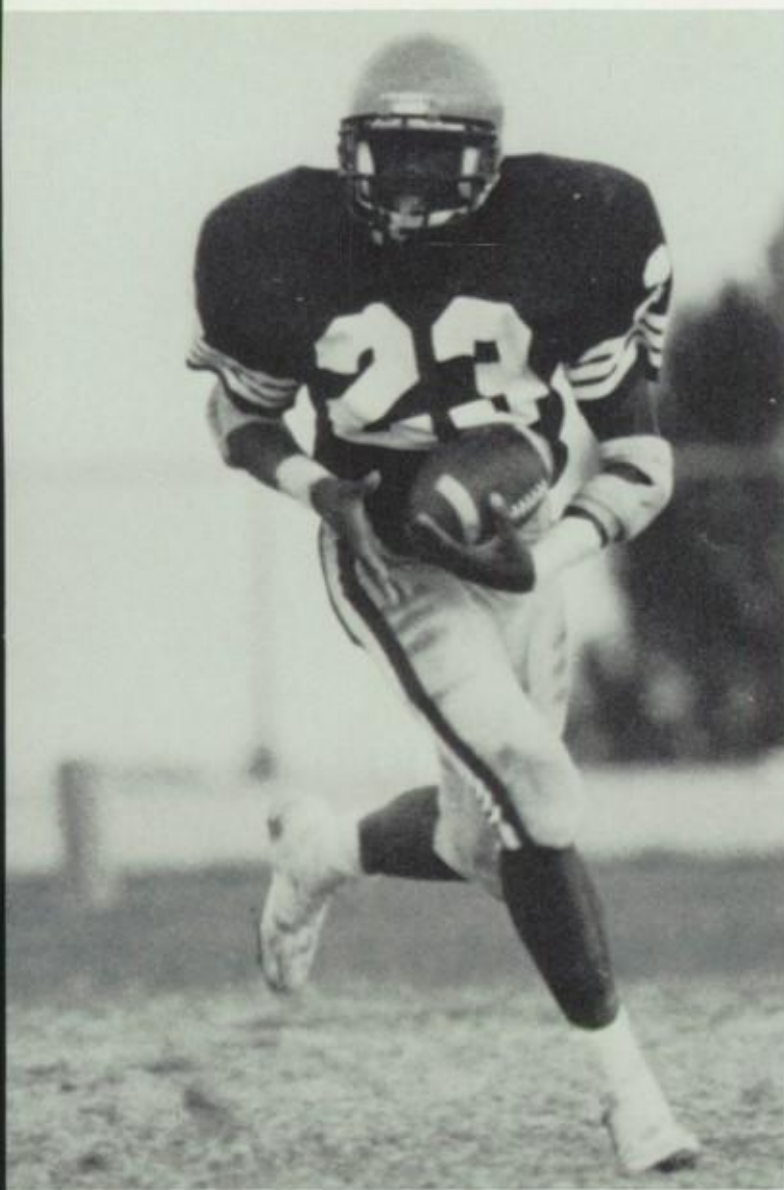

Craig Latham gives encouraging words to defensive tackle Glenn Capps while the Rolling Hills defense takes a well-deserved break between plays. The Titan defense was consistent in its efforts.

Glenn Capps prepares to deliver a bone-crushing blow to his opponent. Capps used his size and strength to his advantage on offense and defense.

Quarterback Dan Bellow calls out signals to the Rolling Hills offensive line in an important Bay League game against Torrance during Homecoming.

The tension mounts as junior Judd Dague prepares to lead Rolling Hills Titans onto the field during their first home game. Judd was an important player on both offense and defense.

Water Polo

A spectacular win against Palos Verdes during Homecoming highlighted the Titan water polo season. The game was a closely contested one, decided only after the third sudden-death overtime period. and we are almost "first year collage studs" Hope all goes well and your summer is very fun. This summer we have no grades to think about, all we can do is have fun. I think it would be great if all of our class could stay in touch but that's impossible. Let's try anyway.

Good luck

It sure was fun being in Shakespeare with you. You made the class worth while. The reason why I got a "C" in the class was because I never paid attention to Molchan because I was always talking to you. I think that you are one of the nicest people I know, and prettiest too. Spring of 1987 was an excellent season for the Girls Track team. They ran into little, if any, difficulty defeating teams several times their size. This team was noted for their continuous high spirit and unfailing devotion. This relatively young team displayed many young talents with astonishing skills. A wide range of events was covered by this strong group of outstanding competitors. The high jump record was being repeatedly broken while the relay team helped place the entire team in high places at several invitationals. Softball

This year was a very successful year for Titan softball. The Titans were a winning team from the start, upsetting West Torrance early in league play. This was also a building year for the Titans, providing valuable experience for the sophomores and the juniors on the team.

Key to the team's success were senior captains Lisa Tom and Kristina Hale, both returning first team all Bay League players. Lisa's pitching and Kristina's catching were invaluable assets to the Titans this year. Returning second team all Bay League player Nancy Gura, junior third baseman, was also an important player. Returning sophomores Debbie Finwall was irreplaceable as short stop. All four girls were strong hitters also.

Of course, a major reason for the success of this year's softball team was the excellent coaching by Bill Ryan, and junior varsity coach Tom Maeder. Their support and guidance were essential to a successful season.

The team was strengthened not only by the addition of Captain Lori Orme, an excellent all around gymnast, but also by the flexibility and creativity of several veteran gymnasts. Returning gymnasts such as Sandra Herrington and Sandra Tan exhibited agility and creativity on the beam and the floor, respectively. While displaying grace and skill, senior Erin Bayer also displays an enthusiastic attitude while performing on the floor. The young team showed solid skills, unfaltered commitment, and all around good potential. These skills vaulted the squad members into a prominent position in Bay League.

Completely absorbed in her inspirational routine, veteran gymnast Sandra Tan is a picture of intensity while performing the floor exercises.

AFS Exchange Students

During the past school year, six foreign exchange students have been visiting the Rolling Hills High School campus, Southern California, and United States. From various parts of the world, these students have brought to R.H. distinct and varied cultures and experiences.

Peter Bondestam, from Sweden, considers himself lucky for the opportunity to travel to the United States. He has graduated from, "Ground School," which is equivalent to high school. He has been admitted to college and will study economics.

Marina Barbagelata came to California from Argentina. Active in Model United Nations, she hopes someday to become an ambassador or politician. After returning, she will continue her studies in law.

Juan Fernandez feels that his experiences in the United States are worthwhile and will help him in the future. After a year of American culture, Juan will enter a college in his native Spain and study economics.

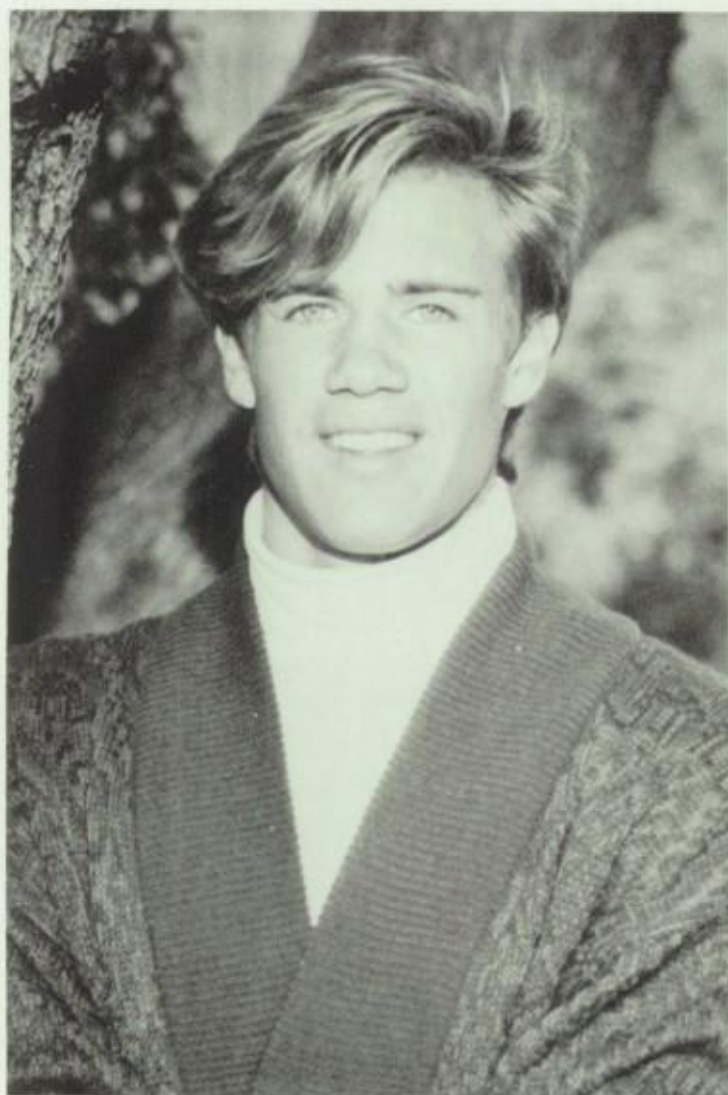

Manuel Schmitt graduated in 1986 from a 400 person high school, the only one in the Swiss Canton that he resides in. Upon his return, Manuel will serve a mandatory four months in the Swiss Army's medical unit. After that, he will attend the University of Geneva, specializing in international relations.

Andreas Egerup is in his last year in Gymnasium, which is equivalent to high school, in his native Sweden. After graduating from Gymnasium, he plans to go to theatrical school and major in drama.

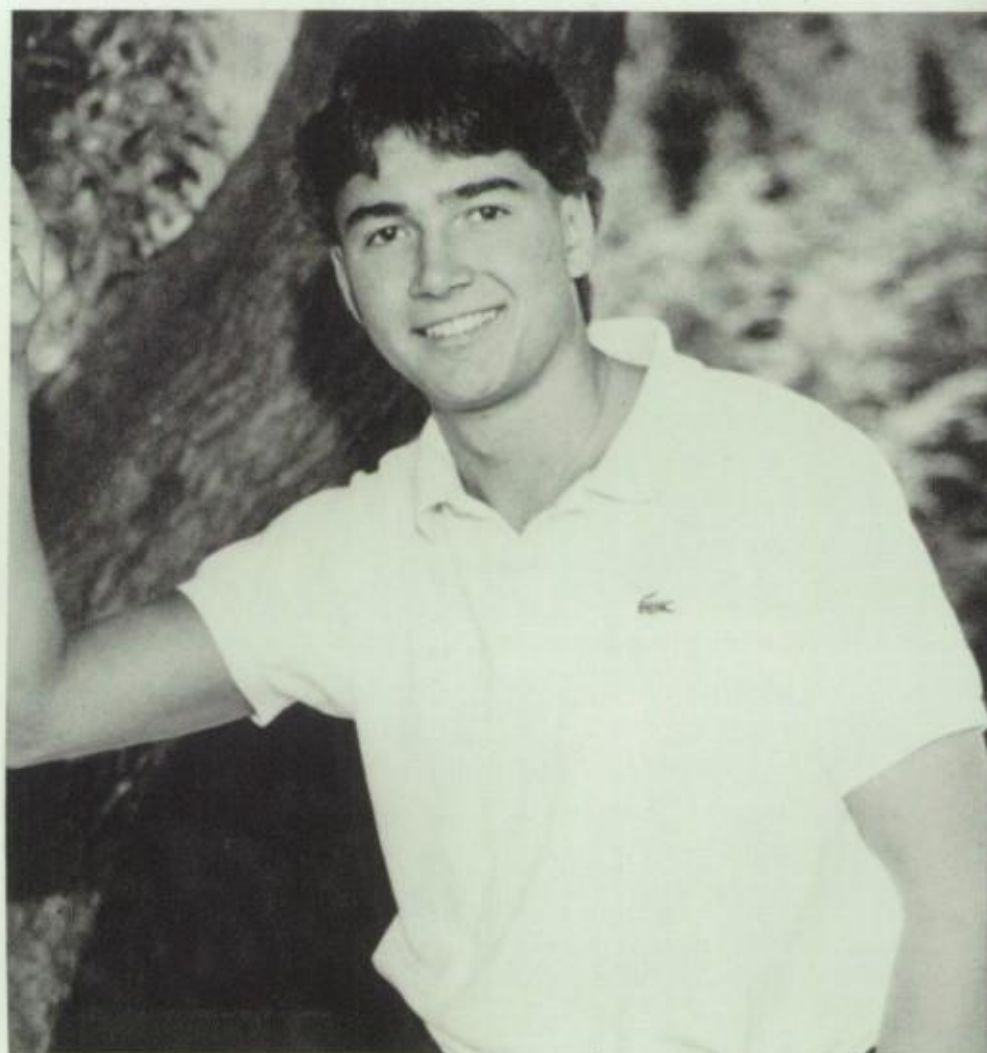

Uffe Dyran, from Denmark, is happy to be an exchange student in America. He feels that his stay in America will help him in his studies of business at a college in Denmark.

COMMITMENT.

Commitment is what transforms a promise into reality.

It is the words that speak boldly of your intentions. And the actions which speak louder than the words.

It is making the time when there is none. Coming through time after time after time, year after year after year.

Commitment is the stuff character is made of; the power to change the face of things.

It is the daily triumph of integrity over skepticism.

By the time we read this it's over, we're free. But I guess we should salute what has happened this year. Thanks to my tank for holding up and surviving. To MUNCO, Brewster, Riverside, and USA. To European History and period 2 Maeder. To that little yellow Mazda that got me so many places. To spending the last two weeks of summer finding ads, to the homecoming dance and the almost tepee afterward, to 2 AM Security Councils, Warner's apartment, A.D., to passing cops, to jogging at 2 AM, 3 AM phone calls about missing persons, 4 AM drives around the South Bay, China, Algeria, and whatever else in the future (I know the sentence wasn't parallel). To 3 yrs. of going to conferences and pretending that awards were important, when we really wanted to [outdress] each other. To KKK who made this year so memorable (ahh). I know I've missed some things, but I'll finish the rest some day & thanks for all you guys for just being there because you always keep me going even when I don't want to. Cal - (Mr. Organized) keep the wit and never grow up. Hoser (Mr. Apartheid) loosen up but always keep up the good work - Big V (Mr. H) remember don't stop living for anyone no matter how good she is. To dreams, may they always come true! Just remember anywhere we go we don't go to participate-we go to dominate. Thanks for everything. - Philip Ting (P.S. This is really anti-climatic, and if I haven't already told her, to the Big K I send all my love)

Friendship defies age and ignores distance. It weathers the hard times and shares the good.

Together we have found this, our friendship has provided acceptance and understanding in a world that pushes people apart.

But I will always remain with the memories of the times we have shared, knowing how fortunate I am to be able to call you MY FRIEND!

You are always my friend
 When I am happy or when I am sad
 When I am all alone or when I am with people
 You are always my friend if I see you today
 Or if I see you a year from now
 If I talk to you today or if I talk to you a year from now
 You are always my friend . . .
 and though through the years we will change
 It doesn't matter what I do or it doesn't matter what you do
 Throughout our lifetime, you are always my friend
 . . . and thanks to all those special people who touched our lives in
 their own special way: the Hot Tub Club (-n-SHEEBE) The ATL'S
 PALE, the human organ, Regor Wang, the concert going crowd,
 the rah-rahs, the jocks, Bubba, and most importantly — our parents
 (both sets) WE LOVE YOU!!!!!!!

 and be gracious unto thee:
 The Lord lift up his countenance
 upon thee, and give thee peace."

From the kindergarten gate to

 with you as you seek your destiny.

But as we go our sorted separate ways
We shall ne'er forget thee ...
Our golden high school days

You're always there
With a comforting word
Or a listening ear
When I am disturbed
Through good or bad, happy or sad
We'll share and cherish
The times we've had
Our memories can't be forgot
Through we may leave the past cannot
Fun and fears, laughs and tears
Thanks for the awezoom highschool years

Heidi Schmidt, Monica Variano, Anne Norsworthy, Shawn Codrea, Kathy Siegel, Suzanne Bolton, Liesel Toles

*Ya know I was thinking of you the other day
Remembering our lives will soon drift away
But through all the memories and soon a dream
I'll stand by you, if you stand by me*

Friendship forever within our hearts until an attempt to be broken apart

For the love only two are able to share
But neither took caution to really care.

To an end that was never meant to be
And a heart break never to foresee

But having someone as special as you
For all the things that you do

And to memories of you and me

As special as two can be

Together will forever be as one

Despite all that has been done

I leave you with good memories

And an important place

Titan Staff

Eleventh hour paste-ups were the fashionable thing this year on the ever improving *Titan*. Although the Variotypers and waxers did give us their share of problems, we were able to overcome them, and ammonia gas, to produce Rolling Hills' tabloid every three weeks.

While some stayed miles away from the "diseased couch", others went to that sanctuary to read epic novels and subsequently fall asleep on the dreaded paste-up weeks. (Oops!) Brownie bets were common in H-62, yet only one feature editor won — ie: had a perfect page. Better luck next year!

While a sports and a feature editor flustered near the dreaded deadline asking for rulers, x-actos, headlines, bylines, datelines, and most importantly, stories, others remained more calm, only asking for stories.

A couple of the "chosen few", also known as editors, could be seen scurrying around campus scrounging up late breaking news, while another entertainment editor, who is not allowed within ten feet of the waxer, attacks all moving males, wanting their bodies, NOW! Many editors were also hyper during the week. Was it because of all the food runs (not to Micke D's due to the Editorial Editor's cholesterol consciousness) or because of dancing around the room on furniture?

Major issues concerning RH this year included the possible closure of RHHS — yet it turned out to be Miraleste that changed to a 7-12 format — the all important parcel tax, Marineland's closure, and the awesome basketball team and their quest for the CIF championship.

The scary 6:00 AM runs to Gardena to pick up the *Titan* always proved to be, at the least, eventful. Between forgetting the key, having the wrong key, and looking for a doughnut, (which we never found) we always seemed to get the paper, even if we were an hour late to school.

Too many hours were spent in H-62 for any bunch of normal human beings — but whoever said the dedicated *Titan* staff was normal?

To Kurt and Spencer: Thanks for all your time and those marvelous pictures!

To Gumby, Winnie, Helen, Alex, Todd, Jerome, Jean, Jennifer, Corey, Lynn, Kate, Tracy, Steve, and Sandra: I really appreciate everything you've done. Thank you all for your cooperation and promptness!

To Donna and Jimmy: Without your time and help, this yearbook would not have been possible.

To Wendy: Let's generate some special spirit! I don't know how I could have handled this alone. Thanks for everything!

To Sandy Grasinger: I really want to thank you for all the love and support you have given me for the past four years. I don't think I would've made it through this year without your guidance.

To the staff and everyone else: Let's celebrate!

Susan H. Kim

A special spirit ... I can't think of a better way to describe thoughts of this past school year. This was an important, yet challenging year for me as I was given the opportunity, as well as the responsibility, of creating a yearbook that summed up that special spirit at Rolling Hills High School. I wanted a yearbook that reflected the theme and also captured the cherished memories of 1986-87.

In my past four years on the staff, I have never seen a more dedicated group. A very special thanks goes to my fellow co-editor, Susan Kim. Not only is she the technical genius behind this book, but she is a valued friend. You are an achiever, Susan, and I wish you all the happiness in the future. To the section editors: Kate, Lynn, Kim, Winnie, Todd, Helen, Gayatri, Sandra, Corey, Jean, Jennifer, Alex, and Jerome, thanks for the hard work and creative ideas. I thank Steve and Tracy, and our staff of photographers for your quality work and a job well done. Jimmy and Donna, the associate editors, thank you for always helping us out in a bind, as well as entertaining the staff. Many thanks to Kurt Jupin for his great sense of humor, his endless patience, and his beautiful photography. I give my utmost thanks to the entire staff for your dedication which made this book possible. My deepest gratitude goes to Sandra Grasinger — my advisor, my teacher, and my friend. I thank you, Sandy, for the endless guidance and support you have given me in the past four years.

My final thanks goes to the entire student body for your great spirit and tremendous amount of energy which had a great influence on this book. To the graduating class of 1987 — Let's Celebrate!

Generate enthusiasm

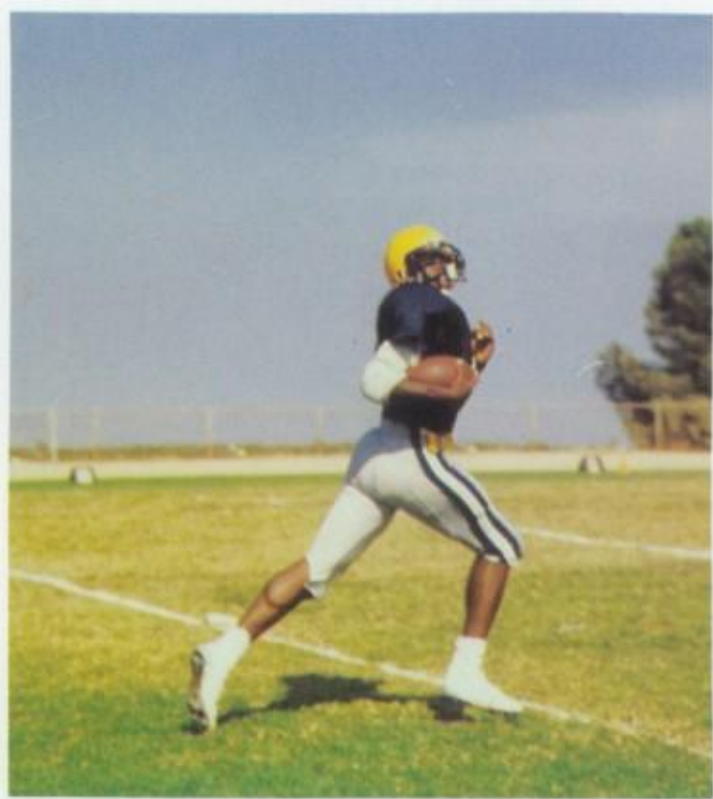

Treasure the lasting friendships

Cherish the good times

Aim for unity

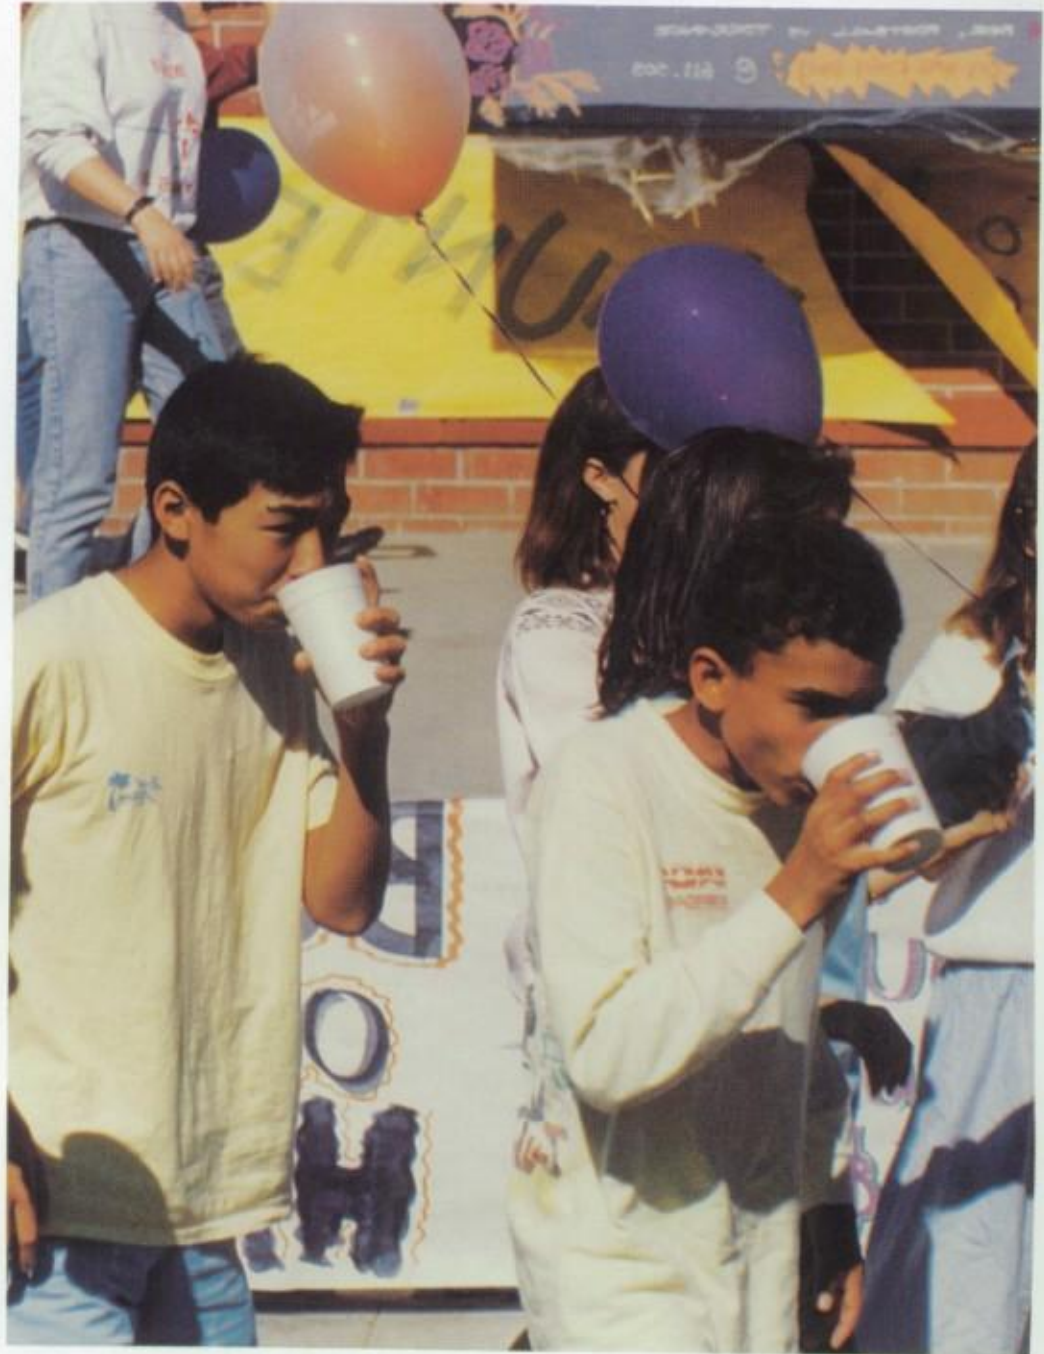

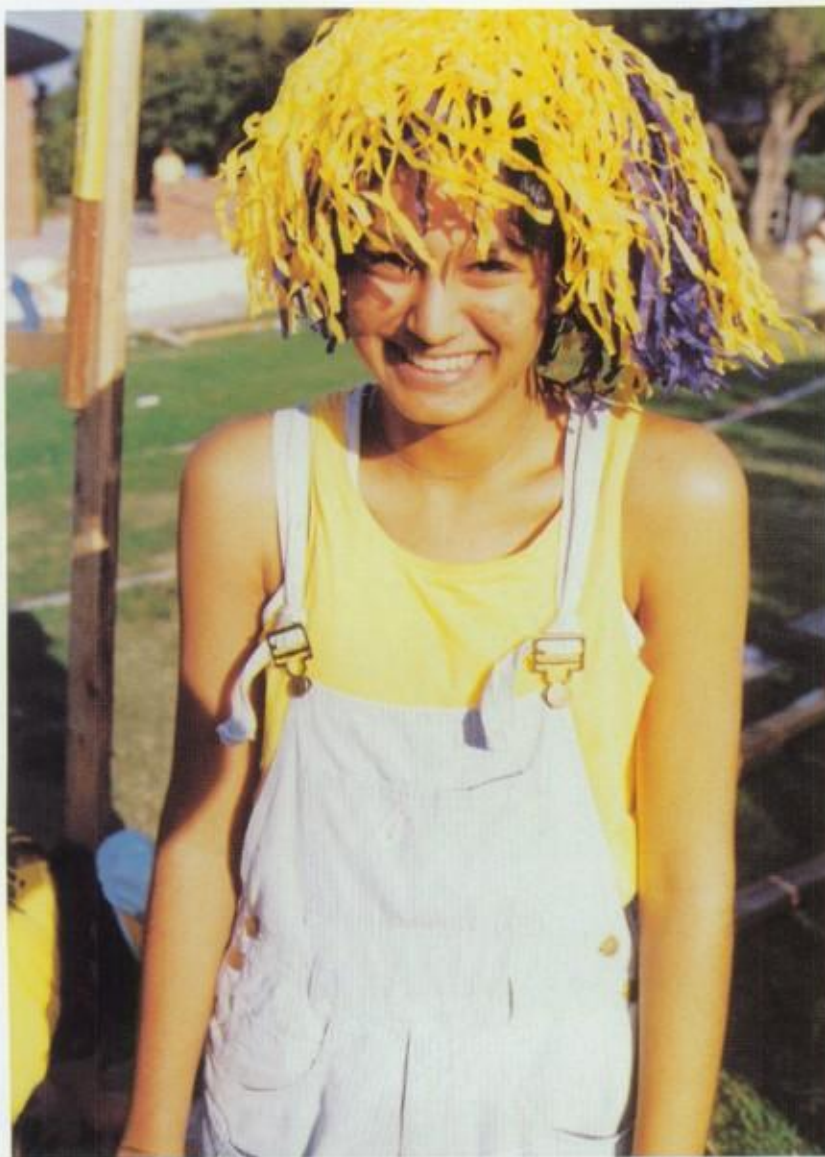

Sue,
I am truly glad that we
got to know each other this
year. Having you in both physics
and Pre-Calc allowed me hear
some one else suffer all year,
I want to wish you the
best of luck next year,
and I hope to see ya at
Homecoming.

Value your individuality

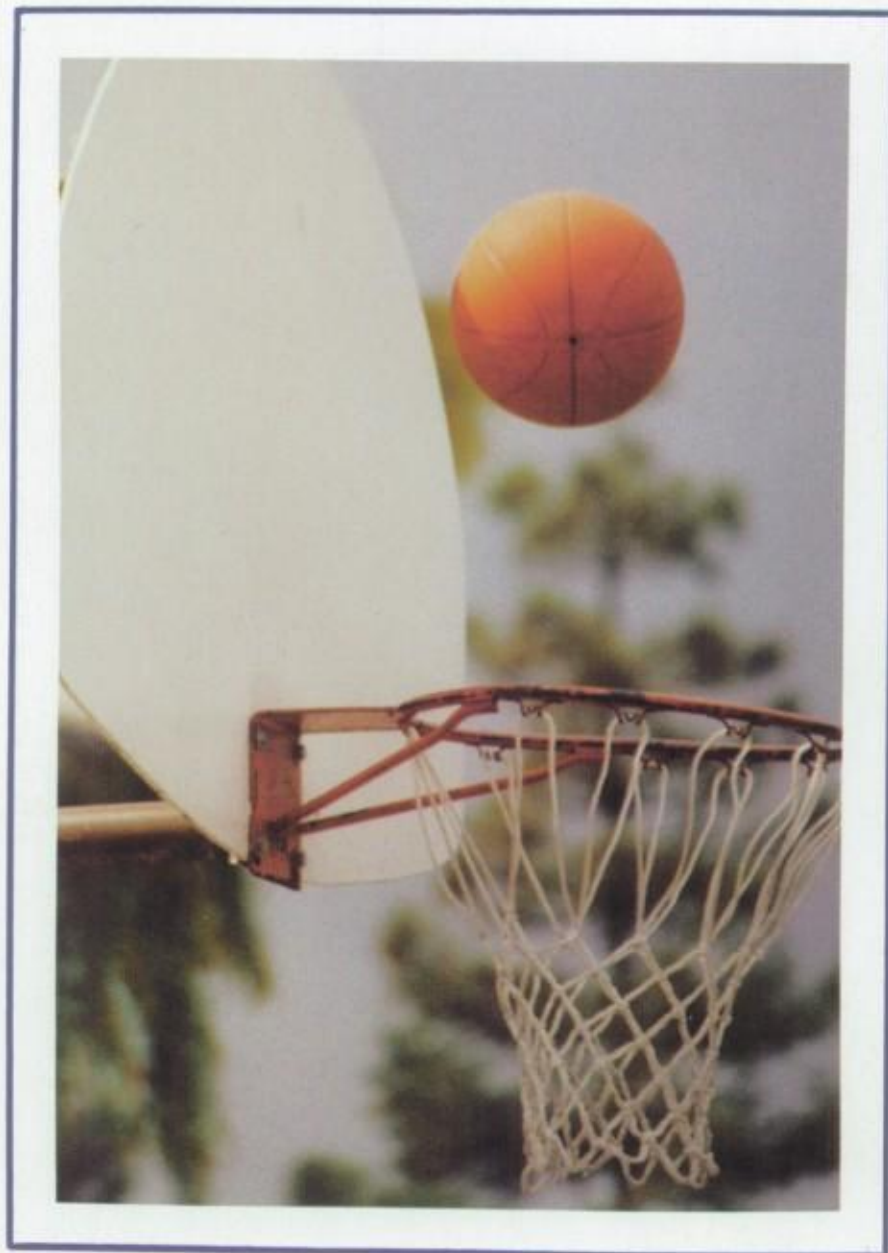

Make every moment count

Celebrate a special spirit

Hi Sue,
Well it was great being
with you in class again
even if it was in so called
"creative writing" (the most
uncreative class I have
ever been in) Lucky
for us there will be no
more Pinoneemi (or however
you write it) and no more
reading stupid stories.
I hope you have a great
year at Santa Barbara
and that you do well in
all your classes. I hope
I'll see you sometime.
Have a great summer.

Love Nicole

the signature to the left of
me. Any way I think you
a nice person and I want to make
sure you don't be a stranger. I'll probably
see you at the beach so don't fear to
talk. We'll go out and party so
much. It will be a blast. Anyhow
you a nice person and once
again have a great year.

Take Care,

David Hoffmann.

P.S. Mission Failed. (But it was close)!

Dear Sue, Even though I
haven't known you for that
long a period of a time, I
feel that it's my mission
to fill up the blank on this
page. It was really great
meeting you and I must
say Ms. P's class has
been an experience that will
last in my mind for a
long time. The best thing
about it was listening to
Ked's Ramble on on about
anything that caught
his interest. I hope you
have a great summer and
an even better next year
in Santa Barbra. How did I know
that you ask? I looked at

SUE, IT'S BEEN REALLY NICE GETTING TO KNOW YOU
IN MRS P'S CLASS. I HOPE YOU HAVE A GREAT
SUMMER AND DON'T STUDY AT ALL. WASN'T MRS P'S
CLASS THE MOST BORING CLASS IN THE WORLD?
WE'LL HAVE A GOOD SUMMER AND A SUCCESSFUL
FALL YEAR

SEE TA

JEFF K.

SUE,

YOU'RE A TRULY INTERESTING INDIVIDUAL WITH A
LOT OF GREAT QUALITIES AND I LIKE YOU A GREAT
DEAL. YOU ARE VERY FUN TO TEASE AND TORMENT,
AND HARASSING YOU MADE 3rd PERIOD
FAR MORE ENJOYABLE THAN IT WOULD HAVE BEEN
OTHERWISE. ON A MORE SERIOUS NOTE NOW
I'D LIKE TO ADD THAT YOUR LOGICAL NATURE
AND SINCERITY WILL SERVE YOU WELL
NO MATTER WHAT YOU CHOOSE TO DO, BUT
YOU MUST NOT BE LED BY CONVENTION
OR STANDARDS BECAUSE THEY ARE INCAPABLE
OF BRINGING YOU TRUE HAPPINESS. IT'S TIME
NOW TO STEP OUT OF THIS ADOLESCENT
PLAYGROUND AND INTO A MORE REAL
EXISTENCE. I'M SURE YOU'LL ADAPT NICELY
AND ACHIEVE GREAT SUCCESS AT U.C.S.B

{ BUT DON'T FALL INTO THOSE TRAPS OF
COMPLACENCY AT THE BEACH }

Look
Out!

MAY YOU STAY FOREVER YOUNG

GOOD LUCK TO
YOU SUE.

-Sue-

Well I'm so glad I met you this year. Up until this year you were just another pretty face around campus, but now you're a pretty face with a personality to go along with. Psych. was okay, but Dr. Roth (Dr. McConnell) really got on my nerves. Mr. CS class was ok. I mean he is such a pig headed man. I don't know what life would be like with out him or with out you. Oh well life continues on. So have fun.

Love
Tom H.

Dear Sue,
Who says math isn't fun? Obviously they were wrong. We've had a lot of fun this semester. I remember being in school with you for a long time. Thanks for not thinking I'm too weird. Have a merry summer. Good luck next year.

Love,
Jill

Sue -

So can you believe it, we made it through our last year. And to look back it sure doesn't feel like it took so long. I am glad though, that we had so many classes to get this year, or I would of never had a chance to get to know you better. I hope that you have a successful time at college and don't forget to keep in touch.

P.S. call sometime
my number is
541-0537

Abraham

Don't forget: Mrs. P and Mr. Coss...
I am always on his side discussing
the exciting and boring and the
happening
Take care
